THE MEDFORD LIBRARY PROJECT

In April of 2018, the Patchogue-Medford Library’s Board of Trustees passed a resolution setting forth its commitment to establish a library branch at the Medford Athletic Complex, subject to the Library receiving sufficient funding from the Town of Brookhaven and the Medford Hamlet Foundation. In order to proceed with this project, the Town of Brookhaven is required to obtain authorization to lease a portion of the Medford Athletic Complex property to the Library from the New York State Legislature. We are pleased to report that the required legislation was submitted. If the legislation is approved, the Library will continue its efforts to make the proposed library branch a reality. Any questions, please contact the Library Director at 631-654-4700, ext. 300.
