A NOTE FROM THE DIRECTOR:

By the time you receive this special edition newsletter, the Library will have had to close its doors for almost three months. Never before in the history of the Library have our doors been closed for so long. Nevertheless, our staff has continued to provide service to the community by phone, email, and virtually through our online offerings. We've created new library cards and accounts for over 300 residents, answered over 700 reference questions, and hosted virtual programs that have engaged over 1200 participants. Library staff continue to listen to the needs of the community, and have been busy working on new ways to serve you best. I am so proud of what they've accomplished during a truly chaotic and challenging time, and I hope you are as well.

The reopening of the Library will happen in phases, as recommended by the CDC and our local government. In the beginning, this may include curbside pickup and services by appointment. We will gradually work towards allowing patrons back into the buildings in a limited capacity and hopefully, we'll soon be able to have the Library open with regular hours. We are hard at work coming up with a more detailed plan and will inform you each step of the way. If you have any questions, concerns or thoughts, please reach out at 631-654-4700, ext. 300.

In the meantime, a few reminders:

- The budget vote was canceled. There will be no increase in the Library's budget this year.
- The trustee vote will be held in conjunction with the Patchogue-Medford School District Vote on June 9. This vote will be held by absentee ballot, which will be sent to every household in the district before that date. You will have the opportunity to vote by mail for the School District Budget, the School District Trustees, and the Library Trustee all on one ballot.
- Your library card has been updated. If you are having a problem using it, call us and we'll fix it. Any items that you checked out before March have extended due dates. Don't worry about bringing items back until we are ready to open.
- You can access electronic books, audiobooks, magazines, music and movies through our online streaming services and your library card. (See the back page for more information.)
- Stay tuned to our website for up-to-date information about when and how we'll be able to reopen.

It just wouldn't be summer without the Summer Reading Program for all our families in the district! We hope you will take part in our summer reading experience, *Imagine Your Story*. This year it is truly a family effort as there are pathways for children, teens and adults to participate. We hope you will take advantage of everything we have to offer and make some time to read and grow.

Library staff members have experienced great challenges over the last three months, including losing parents, relatives, spouses and friends to COVID-19 related illnesses, caring for sick family members and even themselves as the virus spread. In addition to the chaos and confusion, our Literacy Coordinator, Matthew Moore, passed away in April. He helped so many and gave so generously of his time and expertise over his eight years of service to the community, teaching people to master the English language. He will be missed by so many at the Library-the staff, the teachers, and the students.

We are truly lucky to be a part of the greater Patchogue-Medford community. I don't know a stronger, more resilient and caring group of people than the residents that we serve on a daily basis. You lift each other up and help each other move forward, one step and one day at a time. The Library will continue to be here for you through it all, and we look forward to the day when we can see your smiling faces again in our building.

Sincerely,
Danielle Paisley, Director

Absentee Ballots due to

Patchogue-Medford School District by June 9**

MEET THE CANDIDATE

Elizabeth (Betsy) Ambrosio Kennedy

From the Summer Reading Program as a child, to the countless college papers I wrote using the reference section, to now bringing my nine year old son to classes, the library has always been an important institution in my life! The comfort I have felt in the library amongst the books played a huge part in my decision to become an English teacher as well, something I have done for 15 years and counting at Brentwood High School. And yes, I currently try to bring my students to the school library as much as possible!

For the past five years, I have found such joy and satisfaction from being on the Library Board. Seeing all the wonderful and enriching experiences that the Patchogue-Medford Library staff do to help the community has been inspiring. Also, getting to play a part in furthering the mission of the Library as much as I can has been one of the highlights of my life. I hope to be given the opportunity to continue serving on the Board and helping the Library grow in all of its future endeavors!

The Medford Library Project

The Patchogue-Medford Library and the Town of Brookhaven have agreed on lease agreement terms for property at the Medford Athletic Complex. The Town of Brookhaven and Medford Hamlet Foundation have provided \$1.6 Million dollars to the Library through the Caithness Fund to be used towards construction of a Medford Library Branch on the leased property. In addition, the Library has engaged the services of H2M Architects and Engineers to move forward with this project. We are truly excited to begin the process of making the long-awaited Medford Branch a reality. Stay tuned to the Library's website for more information. Any questions, please contact the Director at 631-654-4700, ext. 300.

UNA NOTA DE LA DIRECTORA:

Para cuando reciba este boletín de edición especial, la Biblioteca habrá tenido que cerrar sus puertas durante casi tres meses. Nunca antes en la historia de la Biblioteca se han cerrado las puertas durante tanto tiempo. Sin embargo, nuestro personal ha seguido prestando servicio a la comunidad por teléfono, correo electrónico y virtualmente a través de nuestros servicios en línea. Hemos creado nuevas tarjetas y cuentas de biblioteca para más de 300 residentes, respondido más de 700 preguntas de referencia, y organizado programas virtuales a los que han asistido más de 1200 personas. El personal de la biblioteca continúa escuchando las necesidades de la comunidad y se pone a trabajar para encontrar la mejor manera de servirle. Estoy muy orgullosa de lo que han logrado durante una época verdaderamente caótica y desafiante, y espero que ustedes también lo estén.

La reapertura de la Biblioteca se hará en fases, como lo recomiendan el CDC y nuestro gobierno local. Al principio, esto puede parecer una recogida en la acera y servicios con cita previa. Nos prepararemos para permitir que los clientes vuelvan a entrar en los edificios en una capacidad limitada y con suerte, en algún momento del futuro, podremos tener la Biblioteca abierta con un horario regular. Estamos trabajando duro para elaborar un plan más detallado y les informaremos en cada paso del camino. Si tiene alguna pregunta, preocupación o pensamiento, por favor llame al 631-654-4700, ext. 300.

Mientras tanto, algunos recordatorios:

- El voto del presupuesto fue cancelado. No habrá ningún aumento en el presupuesto de la Biblioteca este año.
- El voto del fideicomisario se llevará a cabo junto con el voto del distrito escolar de Patchogue Medford el 9 de junio. Esta votación se llevará a cabo por medio de una boleta de ausente, que será enviada a todos los hogares del distrito antes de esa fecha. Tendrán la oportunidad de votar por correo por el Presupuesto del Distrito Escolar, los Fideicomisarios del Distrito Escolar y el Fideicomisario de la Biblioteca, todo en una sola boleta.
- Puede acceder a libros electrónicos, audiolibros, revistas, música y películas a través de nuestros servicios de streaming en línea con su tarjeta de la biblioteca. (Vea la página de atrás para más detalles)
- Su tarjeta de la biblioteca ha sido actualizada. Si tiene algún problema para usarla, llámenos y lo arreglaremos. Cualquier artículo que haya sacado antes de marzo tiene una fecha de vencimiento extendida. No se preocupe por traer los artículos de vuelta hasta que estemos listos para abrir.
- Manténgase en sintonía con nuestro sitio web para obtener información actualizada sobre cuándo y cómo podremos reabrir.

Mientras tanto, esperamos que participen en nuestra Experiencia de Lectura de Verano! No sería verano sin el programa de lectura de verano para todas nuestras familias en el distrito. Y este año, es realmente un esfuerzo familiar ya que hay caminos para que los niños, adolescentes y adultos participen. Esperamos que aprovechen la diversión de la comunidad y que hagan tiempo para leer y crecer.

El personal de la biblioteca ha sentido grandes pérdidas en los últimos tres meses, incluyendo la pérdida de padres, parientes, cónyuges y amigos a causa de enfermedades relacionadas con COVID-19, el cuidado de familiares enfermos e incluso de ellos mismos a medida que el virus se propagaba. Además del caos y la confusión, nuestro Coordinador de Alfabetización, Matthew Moore, falleció en abril. Ayudó a tantos y dio tan generosamente su tiempo y experiencia durante sus ocho años de servicio a la comunidad, enseñando a la gente a leer y a aprender el idioma inglés. Será extrañado por tantos en la Biblioteca - el personal, los profesores y los estudiantes.

Afortunadamente, somos una organización basada en la comunidad de Patchogue Medford. No conozco a un grupo de personas más fuerte, resistente y bondadoso que los residentes a los que servimos diariamente. Se levantan unos a otros y se ayudan a avanzar, un paso y un día a la vez. La Biblioteca seguirá estando aquí para ustedes durante todo el proceso, y esperamos el día en que podamos ver sus caras sonrientes de nuevo en nuestro edificio.

Sinceramente,
Danielle Paisley, Directora

CONOZCA LA CANDIDATA

Elizabeth (Betsy) Ambrosio Kennedy

Desde el Programa de Lectura de Verano cuando era niña, hasta los innumerables trabajos universitarios que escribí usando la sección de referencia, hasta llevar a mi hijo de nueve años a clases, ¡la biblioteca siempre ha sido una institución importante en mi vida! La comodidad que he sentido en la biblioteca entre los libros también jugaron un papel importante en mi decisión de convertirme en maestra de inglés, algo que he hecho durante más de 15 años en Brentwood High School. ¡Y sí, actualmente trato de llevar a mis alumnos a la biblioteca de la escuela tanto como sea posible!

Durante los últimos cinco años, he encontrado tanta alegría y satisfacción de estar en la Junta de la Biblioteca. Ver todas las experiencias maravillosas y enriquecedoras que el personal de la Biblioteca Patchogue-Medford hace para ayudar a la comunidad ha sido inspirador. Además, llegar a desempeñar un papel en la promoción de la misión de la Biblioteca tanto como pueda ha sido uno de los mejores momentos de mi vida. ¡Espero tener la oportunidad de continuar sirviendo en la Junta y ayudar a la Biblioteca a crecer en todos sus esfuerzos futuros!
