The Medford Library Branch
Construction Project will be discussed
at regular Board Meetings.

A NOTE FROM THE DIRECTOR:

On behalf of the Board of Trustees of the Patchogue-Medford Library, I would like to express a tremendous thank you to the community for your support of the 2021-2022 Library budget, and to extend congratulations to Bunnie Schiller, elected as trustee for the 2021-2026 term. Thanks also to the staff of the Library who continue to remain flexible and committed to service during this uncertain time of change and challenge.

We are excited to let you know that we will be moving forward with some in-person classes and workshops! While many programs will still be held virtually via Zoom, the Library staff has planned several events that can be offered either outside under tents or inside with limited numbers, as a safe start to reintroducing in-person programming. We'll be setting up a tent behind the Carnegie Library Teen Center to offer outdoor programs for all ages to enjoy. In addition, thanks to a partnership with Toast Coffeehouse, we'll be utilizing our shared courtyard after 3 pm to offer some outdoor, in-person programs. Please be sure to check each listing in the newsletter to know whether the class will be held virtually (as many still are), in-person (inside or outside), and at what location. All programs will follow NYS Safety guidelines, whether the event takes place inside or outside, and no food or drink will be allowed at this time. Of course, as the state updates rules and regulations, so will we, and the best place to check for the latest information will be through our newly redesigned website at www.pmlib.org.

The Summer Reading Program is back for all of our families in the district! Take part in our summer reading experience, Tails and Tales. This year it is truly a family affair as there are ways for all ages to participate. Both in-person and online reporting will be available!

The Patchogue-Medford School District Senior Prom is scheduled to take place along Main Street on the evening of Monday, June 21. (Raindates: Tuesday, June 22, Monday, June 28, Tuesday, June 29) The Library will be closed at 5 pm in order to allow time to create a unique and special memory for our students. If you have a graduating senior, stop by for a photo op anytime in June! The Library's front windows will be dedicated to this resilient group of young adults to celebrate their accomplishments.

Plans continue for the new Medford Branch at the Medford Athletic Complex on Horseblock Road. The latest floor plan is included (left), and additional updates will be available on the website as we move through the project. The Library is currently submitting plans to the State Education Department for approval, and applying for grant funding to support this project. Once we receive SED approval, we'll be able to start the bidding process, and construction will follow. We are on target to be shovel-ready by late 2021 or early 2022. Please call the Director at 631-654-4700, ext. 300 with any questions.

We welcome all of you to visit your library in whatever way feels comfortable to you, and to take some time to read and recharge this summer.

Sincerely,
Danielle Paisley, Director
