## A NOTE FROM THE DIRECTOR:

**“One benefit of summer was that each day we had more light to read by.”**

—JEANNETTE WALLS, *THE GLASS CASTLE*

What better way is there to relax and recharge in the summer months than to grab a book and soak in some sunshine? Use your library to connect to stories that will take you wherever you want to go. We invite everyone to take part in the **Patchogue-Medford Library's Summer Reading Experience: Oceans of Possibilities**. Our fantastic library staff has worked together to develop programs tailored to each reading personality and age group so the whole family can participate. This summer, we're embracing the challenge to "Strive for Five!" Read or listen to five books this summer to keep your brain healthy and happy. Thanks, as always, to our amazing Friends of the Library for supporting our reading programs with prizes for everyone.

**We can't THANK YOU enough for your support.** On behalf of the Library Board of Trustees – thank you to the Patchogue-Medford community for voting in favor of the 2022-2023 Library budget. Because of you, we can continue to do the work we do that serves the entire community. Congratulations to Lisa Caselles, who was reelected as trustee for the 2022-2027 term.

**The Medford Library Construction Project is underway!** A groundbreaking celebration was held on April 9, and the project has progressed full speed ahead ever since. Keep up to date with the construction at [www.pmlib.org/medford](http://www.pmlib.org/medford). We anticipate completion in Spring 2023. If you'd like to help or support this project, the Patchogue-Medford Friends of the Library are running a brick fundraiser—commemorate your family or a special loved one by dedicating a brick in their honor. Please call the Director at 631-654-4700, ext. 300 with any questions.

**Beep Beep!** Don't forget to wave if you see our new-to-us Library Van this summer. We're just getting started by bringing the van to field days at our elementary schools and various local events. We love getting out into the community and meeting you all wherever you are.

**The Patchogue-Medford High School Senior Prom** is scheduled to take place in the evening on Monday, June 13; therefore, the Library will be closed at 5 pm in order to allow time for setup and to create a unique and special memory on Main Street. Should the weather push the prom to a subsequent raindate, the Library will close at 5 pm on that day as well. Graduating seniors are invited to stop by for a photo op anytime in June! The Library's front windows will be dedicated to the Class of 2022 to celebrate their accomplishments.

Sincerely,  
Danielle Paisley, Director
