

Name _____

Shape Patterns

Each of these lines makes a **PATTERN**. A pattern is something that repeats the same way every time. Can you draw the shape that comes next in the pattern?

Bonus Fun!

Color all the triangles **RED**.

Color all the squares **BLUE**.

Color all the rectangles **ORANGE**.

Color all the ovals **PURPLE**.

Color all the circles **GREEN**.

Color all the Stars **YELLOW**.

**To Kindergarten
and Beyond!**
