A NOTE FROM THE DIRECTOR:

"The only thing that you absolutely have to know, is the location of the library."

—Albert Einstein

Guess what, Pat-Med? You will now have THREE physical library locations to visit on any given day! Currently, our tried-and-true Main Library building remains steadfast as an anchor for our district at 54-60 East Main Street in Patchogue. Our teens in grades 6-12 can visit the historic Carnegie Library at 160 West Main Street in Patchogue. And now...drumroll please...the wait is over!

We are thrilled to announce the grand opening of our new Medford Branch Library located at the Medford Athletic Complex at 2151 Horseblock Road in Medford!

That's right. We have water. We have gas. We have a parking lot. And after 2 years of hard work, perseverance and (your) patience, we are ready to open the doors!

On Tuesday, June 11, we cordially invite you and your family to join us in celebrating this milestone for our whole community. The grand opening festivities will kick off at 4 pm, rain or shine. Please join us! Here's a little of what you can expect:

- **Ribbon Cutting Ceremony:** Hear the story of how a collaborative effort led to a beautiful library and community center, and witness the official opening as we cut the ribbon to mark the beginning of a new chapter.
- **Tours and Exhibits:** Explore the facility, including the new collection of books and resources, a history display, brand-new meeting rooms and perhaps you will find your commemorative brick on the beautiful patio.
- **Refreshments and Activities:** Small bites, coffee and cake will be served, and children's activities will take place throughout the evening. Connect with fellow neighbors, mingle with old friends and make some new ones.

We hope this library is more than just a building—it will be a special place for the community to come together, learn about each other and the world, and create new memories for years to come. We are excited to start this journey with you and welcome your feedback and suggestions as together we create the programming and services that will best reflect your needs.

Other Library News:

Start Here, Go Anywhere! Adventure Begins at Your Library!

All three locations are ready to kick off a wonderful summer that includes the ever-popular [summer reading experience!](#) Our fearless library staff has worked together to develop programs tailored to each reading personality and age group so the whole family can read, explore - AND earn prizes along the way.

The interior flooring path that runs from the front door of the Main Library to the side door will be replaced at the end of May. During this project, the Library may need to close one of the entrances in order to keep the area safe while progress is made. We thank you for your patience and understanding during this time. We will post any closings on our website to keep you informed.

On the evening of Monday, June 3, Main Street will once again be transformed for the **PMHS Senior Prom**. The Library will close at 5 pm. (Note: rain will postpone) **Photo opportunity!** The Library's front windows will be dedicated to the class of 2024. Graduating seniors are invited to stop by for a photo op anytime in June! Take a selfie next to your name, post and tag us @pmlib @pmlibteen #2024grad to be entered to win a prize sponsored by our generous Friends of the Library!

The Library will be closed at 5 pm for the Alive After 5 street festival on June 27, July 11, 25 and August 8 (rain date: August 15), but feel free to find us in front of the Library on Main Street for fun family friendly activities and photo ops.

Touch-a-Truck is back at Patchogue-Medford High School on Saturday, June 29 from 10 am-12 pm. All are welcome!

The brick fundraiser for the Medford Branch Library is re-opened and will remain open for the rest of the year. There's still time to be a part of this amazing commemorative patio at the Branch Library, see www.pmlib.org/medford for more info.

And finally, congratulations to Harold Trabold, who was re-elected as trustee and **THANK YOU to our awesome Pat-Med community!** On behalf of the Library Board of Trustees and the entire library staff, thank you for voting in favor of the 2024-2025 Library budget. With your support, we can continue to do the work we do that serves the entire district.

We can't wait to welcome you to our newest "library adventure" on June 11, 2024 from 4-7 pm for a day of celebration, discovery, and community spirit.

Sincerely,
Danielle Paisley, Director
