A WORD FROM THE CANDIDATES

Elizabeth (Betsy) Kennedy

From the Summer Reading Program as a child, to the countless hours spent flipping through musical scores in the non-fiction section of the adult department, the library has always been an important institution in my life! The comfort I have felt in the library amongst the books played a huge part in my decision to become an English teacher as well, something I have done for 20 years and counting at Brentwood High School. In addition, I have watched my son, who is now 14, love the library: attending programs in the Children's Department, playing in the video game tournaments hosted by the Library Staff and now going to the Carnegie Building with his friends.

For the past ten years, I have found such joy and satisfaction from being on the Library Board. Seeing all the wonderful and enriching experiences that the Pat Med Library staff do to help the community has been inspiring. Also, getting to play a part in furthering the mission of the Library as much as I can has been one of the highlights of my life. I hope to be given the opportunity to continue serving on the Board and helping the Library grow in all of its future endeavors!

Amanda Sanford

As a life-long resident of Patchogue, I have truly enjoyed growing up within this community; I attended Patchogue-Medford public schools, and then went on to complete my undergraduate degree at the St. Joseph's University's Patchogue campus. Since graduating with my Bachelor's in Psychology, I have worked within SJNY's Tutoring and Academic Development Office, helping students to realize their academic potential and achieve their goals in college.

As a part of my social work degree, I have had the privilege of interning within the Patchogue-Medford Library. Library social workers play a vital role in working with the community to access services and to help people with an issue they may be experiencing. My time at the library has allowed me to serve our community, and to understand the crucial role that the library has in Patchogue-Medford.

Our library is truly the hub of our community; so many people come through the library's doors and the library is able to provide programming, resources, books and knowledge, and information to everyone. As our library continues to grow, it would be my privilege to serve on the board. As a new social worker and a member of this community, I am excited to use my skills and passion to be part of the library's mission and service.

THE PML CARDMEMBERS' CORNER

BOOK REVIEW *The Mystery Guest* by Nita Prose

I discovered this author recently and really enjoy her books. While the plots are not overly complicated, the characters are thoroughly enjoyable, even the ones that nobody likes. In this story, Molly, a socially awkward maid at a boutique luxury hotel, witnesses the death of an author who has come to the hotel to make an announcement. But before he can do so, he drops dead. And as if a hotel full of people does not provide enough suspects, it turns out that Molly has a special connection to the author and not in a good way. If you enjoy a book with good characters and are looking for something slightly more than a cozy mystery, you'll enjoy this one.
